Career Objective

Detail-oriented and motivated Computer Science Engineering student with strong technical skills in Python, Java, SQL, and full-stack web development. Seeking an opportunity to apply my expertise in MERN stack, data visualization, and automation systems to build efficient, scalable, and user-centric applications while contributing to organizational growth through innovative and performance-driven solutions.

Technical Skills

Programming: Python

Web Technologies: HTML, CSS, JavaScript

Frameworks: Flask,Django

Database: Oracle SQL,MySQL

Tools & APIs: Git,GitHub,VS Code,Rest APIs,Groq APIs

Projects

Smart Finance System

- Developed a full-stack finance management application using Python, Django, REST API, HTML, CSS, JavaScript, and Oracle SQL.
- Implemented income,expense,budget tracking modules with secure user authentication and authorization.
- Designed and integrated RESTful APIs for financial data management and reporting.
- Built an interactive dashboard with financial analytics and reports to monitor spending and savings.
- Optimized database operations and implemented CRUD functions for efficient financial record management.

Dashboard for District Administration

- Built interactive dashboard using Tableau and MERN stack
- Created KPI-based visualizations with filters
- Improved reporting efficiency and data transparency

Smart Banking System

- Developed a web-based banking application using Django.
- Implemented account management, deposits, withdrawals, and fund transfer functionality.
- Designed responsive user interfaces using HTML and CSS.
- Integrated SQLite database for secure storage of customer and transaction data.
- Applied Django's MVC (Model-View-Template) architecture for scalable development.

Education

B.E Computer Science and Engineering

2022 – 2026

Suguna College of Engineering, Coimbatore

CGPA: 8.0

Higher Secondary Education

2021 – 2022

Sri Sakthi Vinayagar Matric Hr Sec School, Theni

Percentage: 74%

Secondary Education

2019 – 2020

Sri Sakthi Vinayagar Matric Hr Sec School, Theni

Percentage: 95%

Certifications & Achievements

- Android App Development – TN Skill Development Corporation
- MERN Stack Development – TN Skill Development Corporation
- Completed 24-hour Codeathon recognized in Kalam World Records

Soft Skills

Problem Solving | Quick Learning | Team Collaboration | Communication | Adaptability
